

BREKKY CLUB MEET-UPS

Thank you for everything that you bring to our Brekky Clubs every week. We could not achieve even half as much the success we have if not for amazing people like you!

We encourage our Brekky Club Teams to meet up fortnightly for a short time (20-30 minutes).

PURPOSE

The Meet-Ups are designed to accomplish three things:

1. Organise

How can we make Brekky Clubs more effective? Has there been something Important that's happened recently that should change? Is this truly the best we can do? We want to know! Every person on this team brings something fresh and unique, and we want to always be open to ideas on how to make things run smoother for our amazing Breakthrough Volunteers!

2. Unify

The more we come together as a team, the stronger our understandings of each other and how we operate will come into effect! We want total openness and an unwavering spirit of friendship on this team! Serving is a joy but serving with a unified spirit is even better... and more impactful!

3. Grow

We should constantly be growing in our walk with Jesus. When we do this, He gives us strength, insight, and the grace to carry on no matter comes our way! We are growing together!

SEVEN QUESTIONS

To help us achieve those purposes, whenever we gather for a meet-up we ask these seven questions:

1. What was your favourite thing that has happened these past two weeks?
2. Is there anything that you think we could do to improve the way Brekky Club is run (productivity, morale, whatever)?
3. Do you think that we were able to engage with the staff and students adequately these past two weeks?
4. Is there anything specific that you would like us to discuss from the past few weeks?
5. How have you been lately? Really.
6. Is there anything that you would like us to pray for over you throughout the next two weeks?
7. What have you done to grow in these past few weeks?

Please keep these in front of you throughout the days leading up to our Meet-Up as it will bring things to remembrance as well as allow yourself to bring a deeper perspective!

Again, THANK YOU SO MUCH for all that you do on Team Breakthrough! We are honoured to have you serving beside us, and we know that the impact you are leaving on the people of in our community is one that will ring for all eternity!

Love,

Team Breakthrough
